

## LAKE ILLAWARRA AUTHORITY

### LAKE ILLAWARRA ENTRANCE WORKS PROJECT (STAGE 2) NORTHERN TRAINING WALL, SOUTHERN SPUR WALL AND CHANNEL DREDGING

### DETERMINATION STATEMENT

Consideration of environmental impact pursuant to Section 111 of the Environmental Planning and Assessment Act 1979, and a Determination to carry out work pursuant to Section 26 of the Lake Illawarra Authority Act 1987.

The Lake Illawarra Authority has examined and considered in relation to the proposed activity:

- The Environmental Impact Statement
- Representations made in respect of the Environmental Impact Statement
- The Representations Report of the Lake Illawarra Authority
- The approval of the NSW Minister for Planning
- The approval of the Commonwealth Department of the Environment and Heritage
- Other relevant matters

The Lake Illawarra Authority, having taken into account to the fullest extent possible all matters affecting or likely to affect the environment by reason of the proposed activity, is of the opinion that the activity is not likely to have a significant impact on the environment or critical habitat, threatened species, populations or ecological communities or their habitats approve the activity subject to the conditions set out in Schedule 1 of the approval granted by the Minister for Planning dated 7 December 2005 and as set out in the Schedule approved by the Commonwealth Department of the Environment and Heritage dated 14 March 2005.
